

Retain your best clients. Get better referrals. Build your business.

Genworth Financial is offering an exclusive workshop designed to help you achieve your business goals -- by focusing on an important yet often neglected market segment.

Join us on January 21st for an insightful workshop designed to help you strengthen your skills with couples and female clients. You'll leave with business-building strategies that you can implement in your practice today, such as:

- How to leverage women's communication styles to strengthen your relationships and close more sales.
- How to optimize your referrals -- and get more of them.
